Will a mother bird abandon her nest? | yahoo

May 17, 2010 Best Answer: That is completely false that a mother bird will abandon her nest or eggs because she "smells" you on them, in fact, even if you see a baby

Visiting a brick and mortar library is no longer necessary if you need a novel to read during your daily commute, a short stories collection for your school essay or a handbook for your next project. It is extremely likely that you currently possess at least one device with a working Internet connection, which means that you have access to numerous online libraries and catalogs. Unfortunately, not all of them are well-organized and sometimes it is pretty hard to find the ebook you need there.
